DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 1, line 3, following "within" the word "the" has been removed and replaced with --a--.

In claim 6, line 1-2, following "wherein" the word "the" has been removed and replaced with --a--.

2. The following is an examiner's statement of reasons for allowance:

3. Regarding claims 1-4 and 6-7, the prior art of record fails to teach a method for demagnetizing objects wherein the object, wherein the object is located within a region between the two coils within an alternating field for a staying time of a certain duration, and wherein the object is previously treated at at least one pre-treatment station for demagnetizing magnetically hard locations in the object in combination with the other limitations recited in the claims.

4. Regarding claims 9-10 and 12-13, the prior art of record fails to teach a device for demagnetizing objects wherein the two coils are coreless and are connected in a

single common series oscillation circuit, wherein the series oscillation circuit and the transport belt are operated in a cycled manner so that an object transported on the transport belt remains within an alternating field between the coils of the series oscillation circuit for a certain staying time, and wherein in a transport direction of the transport belt there is present at least one pre-treatment station for demagnetizing magnetically hard locations in the object in combination with the other limitations recited in the claims.

Conclusion

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
